Shree Minerals Limited (ASX: SHH) – Suspension from Official Quotation

Description

The securities of Shree Minerals Limited ('SHH') will be suspended from quotation immediately in accordance with Listing Rule 17.3, pending clarification of a production target contained within SHH's announcement of 20 February entitled '*Shree Minerals Limited to reassess Iron Ore project mining potential following recent Iron Ore price increase*'.

ASX has determined that SHH's operations are not adequate to warrant the continued quotation of its securities and therefore it is in breach of Listing Rule 12.1. The suspension will continue until SHH is able to demonstrate compliance with Listing Rule 12.1 of the Listing Rules.
